#### ABOUT OUR COMPANY

### COMPANY PROFILE

Charu Agroplast is the industrial leader in shade net production and a pioneer in plastic solutions in Central India. Our journey began in 2004 with a vision to redefine quality standards in the plastic industry. Today, Charu Agroplast has emerged as a trusted brand, backed by nearly two decades of innovation, integrity, and customer satisfaction.

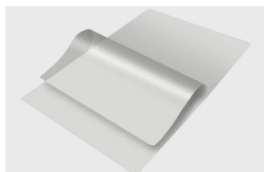

With a sprawling facility of over 350,000 square feet located at Navdapant Dhar Road, Indore, we operate with large-scale warehousing capabilities for both raw materials and finished goods, ensuring seamless inventory management and timely deliveries to our partners. Our diverse product portfolio caters to multiple industries.
